REGION 4 QUARTERLY LOG PRICE REPORT

Based on a survey of mills

JANUARY – MARCH 2023

The following information is a summary of recent log prices reported by primary processors of the species listed. These prices are not necessarily a reflection of current market prices. Fair market prices may vary a great deal based on log diameter, length, quality, contract size and terms, and a number of other factors.

All information reported is price per thousand board feet (MBF), Scribner log rule, delivered to the mill site.
