

REGION 4 QUARTERLY LOG PRICE REPORT

Based on a survey of mills

Produced by:

Bureau of Business and Economic Research

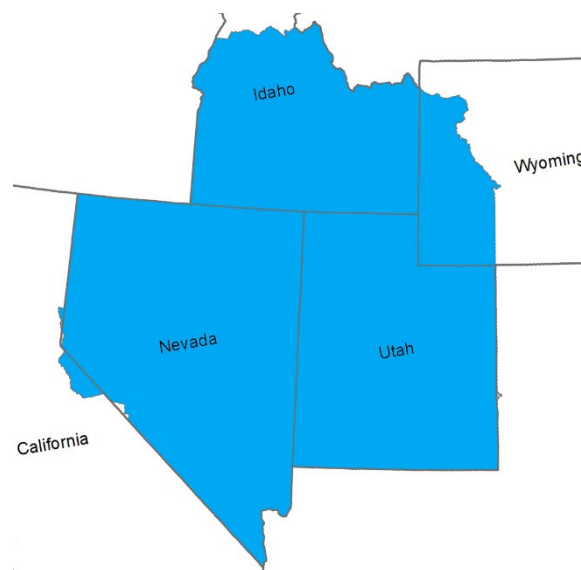

University of Montana

Missoula, MT 59812

Reporting Period:

April- June, 2023

The following information is a summary breakdown of recent past average prices reported by primary wood processors for logs of the various species listed. These prices are not necessarily a reflection of current market prices. Fair market prices may vary a great deal based on log size, length, quality, contract size and terms, and a number of other factors. All information reported is recent average price per thousand board feet (MBF), Scribner Decimal rule, delivered to the mill site.
